An estimated 4,000 of India's most admired schools were ranked nationally, in the states and over 400 cities and towns nationwide.

For EWISR (2023-24), educational institutions were rigorously assessed across 14 parameters of school education excellence including, Teacher Welfare and Development, Competence of Teachers, Curriculum and Pedagogy (hybrid learning readiness), Individual Attention to Students, Academic Reputation, Sports Education, Co-curricular Education and internationalism, Leadership/Management quality, Parental Involvement, Infrastructure Provision, Special Needs Education, Value for Money, Mental & Emotional Well-being Services and Community Service.
