The marathon was organized to mark the joyous festival of Baisakhi as well as to celebrate the '**Azaadi ka Amrit Mahotsav**', marking 75 years of Indian independence. It aimed to spread the message of the 'Fit India Movement'.

The theme of the event was '**Say No To Drugs and Fit India**'. This initiative acted as a reminder that a small step of prevention will not only lead to healthier, safer and prosperous lives of the current generation but also of the future generations.

Our Jai Kaurians got the golden opportunity to run alongside athletics icons like **Shri. Fauza Singh** and '**Super Dadi**'. They participated with great zeal showcasing their physical stamina.
