#### IMPORTANCE OF FREEDOM OF INDIA: IN VIEWS OF GRANDPARENTS

*"Grandparents are the footsteps to the future generations."*

The historical moment of 75th year of India's Independence was celebrated by class II students of Mata Jai Kaur Public school. They participated in an interactive session with their grandparents under the 'Azadi ka Amrit Mahotsav' events as planned by the Government of India.

The event, **Importance of Freedom of India: in views of Grandparents** was organised by the teachers wherein the young learners were encouraged to interview their grandparents regarding pre- independence and post- independence conditions of our country. The loving grandparents not only narrated incidents about our unsung heroes who laid down their lives during the freedom struggle, but also enriched their grandchildren with the ethos and importance of freedom in our daily life. This activity turned out to be a blessing in disguise wherein the grandparents and grandchildren got an opportunity to build a special bond and spend some quality time with each other.
