

Class I Project Show **‘Kaleidoscope-The Vibrant Hues of Life.’**

The Project Show of class-I was entwined around the theme, ‘Kaleidoscope-The Vibrant Hues of Life.’ It was held on 4th February 2023 in the School Auditorium. The cherubic students decked up in colourful attires were a sight to behold.

The occasion was graced by various dignitaries. **Shri Sagar Singh Kalsi ji**, DCP North was the Chief Guest for the program and **Mr Prateek Sultania**, an alumnus and a Software Engineer, Google was the Guest of Honour. Our honourable Chairman, S. Surjit Singh ji and Vice Chairperson, Mrs Rasna Singh ji along with members of the PTA were also present on the occasion.

As part of school's tradition to seek the blessings from the Almighty, the show commenced with a soul rendering ‘Shabad’ followed by the Lamp Lighting ceremony. The Welcome Address was delivered by the Principal, Ms Rashmi Mehta. Ms. Mehta concluded by sharing the school’s stellar rankings in the renowned Education World India’s survey for the year 2022 and congratulated the parents while also acknowledging their unstinted support and contributions for these awards.

The dramatization of the interesting story, ‘The Magic Soup’ by our tiny tots, highlighted the importance of companionship in creating a contented life. It was furthered by a mesmerising Bengali Folk dance performance celebrating the onset of the Spring season on the famous Jhurmur song, ‘Aaj Aagun Fagun Laage’. A short adaptation of the popular tale ‘The Selfish Giant’, showcased a three faced giant who was unkind, and uncaring towards everyone. At the end of the story, he had a change of heart and became kind hearted and loving due to the lesson he learnt from the children. This story conveyed a thoughtful message of loving and appreciating one’s uniqueness.

Shri Sagar Singh Kalsi ji appreciated the efforts of the school management, teachers and students, in a fun-filled and light-hearted manner. Mr Prateek Sultania encouraged all the children to cherish their childhood, and participate in co-curricular activities while creating a balance with their academics. A Vote of Thanks was delivered by the school Headmistress, Ms Anuradha Babbar. The event came to an end with the National Anthem.
