CHILDREN'S FILM FESTIVAL

CLASSES I, II, III, IV

As a part of the EBSB February activity, the students of the primary wing were shown a popular and age-appropriate film ***Pahuna*** from Sikkim to acquaint them with the landscape and culture of the state of Sikkim. The activity provided an opportunity for the students to discover the confluence of cultures about language. It also played a major role in enhancing their communication skills. The film was very entertaining. It enthralled the students to see the natural beauty of Sikkim and its culture.

BHASHA ANEK, ARTH EK

CLASS V

Students of class V participated in the activity titled, **Bhasha Anek, Arth Ek**, under the **Ek Bharat Shrestha Bharat mission** on 19 February 2022. The idea was to promote a sustained and structured cultural connection in the areas of language learning, culture and traditions. The teachers familiarized the students with the idea that even though different languages are spoken in Sikkim, the similarities cannot be ruled out. They wholeheartedly enjoyed and extracted their learnings from the folktale video shown to them during the class. Later, they were introduced to the famous proverbs in both Hindi and English languages with their translation in the Sikkim language. It was refreshing for students to learn about the diversity our culture has to offer.
