### KG Graduation and Class 1 Orientation

**“To exist is to change, to change is to mature,  
To mature is to go on creating oneself.”**

-Henri Bergson

Graduation is an exciting milestone for children as it is the first step towards a future full of hopes. Our young caterpillars of Kindergarten take a leap forward to widen their horizons.

K.G. Graduation Day was held in the School Auditorium on 18 March 2023. The day commenced with seeking the blessings of the Almighty followed by the auspicious lamp lighting ceremony. The school Principal, Ms Rashmi Mehta welcomed the august gathering and spoke at length on emotional, and social well-being of children. She stressed on the fact that spending quality time with children is the key to a healthy parent- child relationship.

The spirited young JaiKaurians presented a welcome dance ‘We are glad you are here’ leaving everyone spellbound. Next, a peppy action song, ‘I’m so happy’ brought a hearty smile on everyone's faces.

All little stalwarts, accompanied by their class teachers, were handed over mementos by the school Headmistress on the stage. Indeed, it was a sight to behold. Later, a PowerPoint presentation was shared which had heart-warming memories of their time spent in Pre-primary.

The school counsellor, Ms. Neeru Aneja gave valuable tips on child grooming and parenting. To acquaint and handhold the parents with the new curriculum, a detailed presentation was shown . Class I scholars confidently shared their experiences with the audience. It was followed by the national anthem. The fruitful day came to an end with progress cards shared by the class teacher.
