

# MJKPS Shines at the First-Ever CBSE National Summit

Our school participated in the first-ever **CBSE National Summit** on '**Facilitating School to Work Transition**.' This historic event, in line with the **National Education Policy (NEP) 2020**, was held on **September 19th and 20th, 2023**, at the prestigious **ICAR Auditorium**, Library Avenue, Pusa, New Delhi.

The summit aimed to underline schools' vital role in preparing students with the necessary skills and knowledge to succeed in an ever-evolving professional landscape. It featured talks by eminent speakers, policymakers, educationists, industry leaders, and other key stakeholders. Additionally, students were allowed to showcase their school's efforts in promoting **Skill Education** through the **Skill Expo**.

## Mata Jai Kaur Public School's Exceptional Representation

Mata Jai Kaur Public School's participation in this significant event was marked by students presenting their National Award-Winning Project, "**The She Safe Device - Empowering Differently Abled Girls**", created by the school's **Tech Club** under the guidance of **Ms Deepa Bhandari**. This ingenious device, programmed using MicroBits, is designed to ensure the safety of differently-abled girls. It offers four essential functions: (1) Anti-Stalking Device, (2) Anti-Theft Alarm, (3) Red Weather Alert, and (4) SOS Signal. The device incorporates light anti-stalking, touch anti-theft sensors, and a WeatherBit add-on for weather alerts. The device also sends SOS signals when shaken, providing a crucial safety feature for its users.

## National Participation and Key Highlights

The **CBSE National Summit** witnessed enthusiastic participation from more than **250 schools** across India. The event was divided into **The Summit** and **The Skill Expo**. Foreign delegates, CBSE officials, and heads from Delhi and Ambedkar Universities served as keynote speakers, engaging with students and offering valuable insights into vocational subjects.

The Skill Expo featured over 100 schools showcasing a wide variety of **award-winning projects** across various vocational skills, reflecting the enthusiasm and commitment of students nationwide. The session was a truly exhilarating experience for the students Rasneet Marjara, Samaira Kumar, Guriqbal Singh and Arshveer Singh as well as the teachers Ms Deepa Bhandari and Ms Monica Rana.
