Nursery Orientation 2022

“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.”

The impetus driving an institution is the strong foundation and the values and ethos embedded in its students. The school welcomed and inducted the parents of Pre-primary students on 31 March 2022 familiarising them with the school curriculum and methodologies as they are the "partners in progress" of the child.

Welcoming the parents to the new academic session, Ms Rashmi Mehta, the school Principal, addressed the parents by emphasizing upon the need to listen, explain and involve the child so as to ensure their holistic development. She also highlighted the importance of setting routine, the impact of tone on child's mind and most importantly to imbibe the changes within before setting a precedent for their child.

The parents were given an overview of the school's rules, regulations and insights of the year-long activities through a PowerPoint presentation, 'Peep into MJKPS'. Helping the parents through their parenting anxiety, Ms. Neeru Aneja, the School Counselor, elucidated some useful parenting tips. After a long wait of two years, students' excitement to join the school was reflected in the song presentation, 'School Chalein Hum'.

Embracing the changes with optimism, the Kindergarteners shared their online journey of the Pre-School years. The auditorium reverberated with the graceful dance performance, 'Tarana', the Hindustani Classical Vocal Music, which represents the heritage of our country.

The Headmistress, Ms Anuradha Babbar, acquainted the parents with their respective class teachers and delivered the vote of thanks. The parents were then ushered to their ward's class room wherein their queries were catered and they were informed about the general dos and don'ts.

The orientation programme aided in developing a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.
