### Picnic to Deva Camp

A day full of fun and frolic brought cheer to the mundane routine of our Jaikaurians of Grade I-V. The enjoyable picnic was planned on Friday, 17 February 2023 to Deva Farms in Alipur. DEVA Farms is a one- stop destination for fun, food and entertainment for one and all. It brings to life, a colourful heritage with all the attractions and elements of ethnic culture and tradition.

A warm welcome awaited the students on the farm. The buses reached there around 9.30 am in the morning. Students were well-guided and divided into groups to ensure smooth conduct of activities throughout the day. It also acted as a catalyst between them and was a preparation for all the upcoming Adventure Activities like Burma bridge, Zip Line, Commando Crawl, Rope Ladder, Tyre Mesh, Sport Climbing, Hamster Wheel, to name a few. Students also enjoyed tractor and camel ride along with the other camp games.

Apart from this, dancing on the DJ floor was irresistible for the students and they shook their legs to the beats of enthralling music. The splendid day was over with mouth-watering vegetarian cuisine they enjoyed eating in groups which taught them the importance of sharing and togetherness.

This entire experience strengthened the precious bond between teachers and their students. They learnt the values of sharing and caring for others during this entire trip. They learnt to become more independent and tolerant as throughout the trip they had to be along with their peers and classmates. The day was indeed a fun filled day.
