

‘SHUBH KARMA TEY KABHOO NA TARON’

‘MAY I NEVER DEVIATE FROM DOING A GOOD DEED’

We, at MJKPS, are in constant pursuit of sensitizing our students to the needs of the community and our responsibilities towards the society. Indeed, education is a meaningless feat if we do not imbibe the values of compassion, empathy and gratitude for the benefit of those who need a helping hand.

Our Community Outreach Programme has been a continuous endeavour for nearly two decades, where students contribute their time and effort wilfully without expecting anything in return. The various initiatives of our Community Outreach Programme are as follows:

VISIT TO HOMES

The students visit and contribute the necessary items of use which they collect throughout the year as part of the contact programme with **Cheshire Home, Bala Saheb, Prayas, Upasana, Prabhat, Nirmal Hriday, Palna and SOS Village**. The programme provides an opportunity to the students to empathise with the community where even basic needs of the people are seldom met. Through these visits, they understand the harsh realities of life and also realize that true happiness comes by giving back to the society.

PROJECT PAPERBOATS

This is one of the most important initiatives under the Community Outreach Programme. Our

students actively participate by means of direct interaction with the educationally disadvantaged children on every Monday and Friday. The sessions on Life skills, conversational skills, mathematical skills and vocational skills are undertaken to enable them to become confident and independent individuals.

INTERNATIONAL AWARD FOR YOUNG PEOPLE -- VOLUNTARY COMMUNITY SERVICE-

The International Award for Young People (IAYP) programme which is run by the School is an encouragement for the students above 14 years of age to take up social service voluntarily and contribute to make someone else's life better.

OTHER FACETS OF OUR PROGRAMME:

- BLANKET DISTRIBUTION
- EXHIBITION CUM SALE OF ITEMS BY NGOs IN OUR SCHOOL
- WOOLLEN COLLECTION DRIVE
- OLD TEXTBOOKS AND UNIFORM DONATION
- GURU KA LANGAR
- NO PLASTIC CAMPAIGN
- PLANTATION DRIVE
- CAN SUPPORT - (support for cancer patients)
